Raising Lions

...zealous for good works.

Titus 2:14

Will you join us in support, partnership, and prayer as we serve and partner with families to educate students in the classical tradition, in prayerful hope that they will grow ever more into God-honoring people who continue growing in wisdom, virtue, and service to others for the rest of their lives?

We are a community inspired and governed by love for Jesus Christ and the world He created. Our teachers and staff are dedicated individuals who are passionate about helping students pursue Christian faithfulness and meaningful learning.

While it is truly our delight, Raising Lions (especially ones who are zealous for good works) is no easy task.

Titus 2:11-14 is a call for us to live out our lives in obedience to our Lord by stewarding our school's mission well. That means being serious about the Gospel, student formation, partnership with parents, and intentional acts of love through service to others.

For the grace of God has appeared, bringing salvation for all people, training us to renounce ungodliness and worldly passions, and to live self-controlled, upright, and godly lives in the present age, waiting for our blessed hope, the appearing of the glory of our great God and Savior Jesus Christ, who gave himself for us to redeem us from all lawlessness and to purify for himself a people for his own possession who are zealous for good works.

~ Titus 2:11-14

Raising Lions

...zealous for good works.

Titus 2:14

Your generosity will help us continue offering a Christ-centered, safe, and vigorous classical Christian school by meeting budget, while teaching our students to love and serve others through global and local missions and service projects- all to the glory of God.

Your contribution to and participation in our **Raising Lions** campaign is a **vital support** to our work and mission.

Your support will specifically help...

1. Meet our 23-24 annual budget
2. Fund global & local mission & service projects
3. Fund new initiatives

Our campaign **begins October 17th** with a **Family Kickoff Event**, and **ends on November 20th** with our **1st Mission Event**.

We will celebrate the end of our event with our first school-wide missions project- a **Feed the Hunger Packathon on November 20th**.

FEED THE
HUNGER.

Titus 2:14

OUR 2023 GOAL: \$70,000

1. Help us meet our ANNUAL BUDGET:

In order to keep Christian education affordable, the tuition at many private schools is not enough to cover annual operating costs. This creates a “tuition gap.” Income from tuition being less than expenses. This gap widens as we offer discounts, scholarships, and financial aid. By giving through our RAISING LIONS campaign, you will help us meet our budget needs for the 23-24 school year. **This need is \$50,000.**

2. Help us fund global & local MISSION & SERVICE projects:

We will take 10% of the Raising Lions campaign total funds raised to fund global and local mission and service projects. We are cheerful givers and we want to RAISE LIONS who are also cheerful givers.

The total amount for this goal will be 10% of the total funds raised. If we meet our goal and raise \$70,000, \$7,000 will be put towards these service projects.

This funding will allow us to teach our students the joy of giving through various projects- **the first mission project being a Feed the Hunger Packathon.** The Feed the Hunger Packathon will cost us \$3,628.80.

Our 2nd step will be to assess the amount that remains after Feed the Hunger to determine other mission and service projects to conduct alongside our students.

3. Help fund our NEW INITIATIVES:

As we hope you have heard, BCA has launched several new initiatives: a High School program, an Athletics Department, and new Enrichment programs. We are thankful to have the opportunity to say “yes” to these initiatives through the work of many servant-minded individuals. These programs are needed, they are important, and they are a blessing to our students and families. A few examples of things needed include: girls volleyball & other sport equipment, music & art supplies, summer camp supplies, and gym rental fees.

We have also ramped up safety and security measures at BCA. We are working on getting more staff certified in CPR, meeting with local law enforcement to ensure we are going the extra mile for security, and purchasing safety and security equipment that will help with continued improvement.

The exact amount to go towards NEW INITIATIVES will depend on the total amount received.
